Educator Overview

Describe your prior training in Holocaust education, including programs hosted by the Council. (Please do not simply list dates but explain the experience).

Awarded checks are made out to schools or organizations (rather than individuals directly). Please provide the name of the organization to whom the checks should be made out to **and** the mailing address:

The grant committee may request additional information as part of the peer review process.

Any changes to the approved grant purpose must be approved by the Council in writing prior to their being implemented.

The South Carolina Council on the Holocaust reserves the right to publish grant information, including names of contact persons, schools, and program details on its website.

The Council's fiscal year runs from July 1 to June 30th each year.
