SC Council on the Holocaust Traveling Trunk Project

The South Carolina Council on the Holocaust invites you to participate in the **SCCH Traveling Trunk Project**. This program is intended to help promote Holocaust education in schools throughout South Carolina by providing teachers with valuable resources and professional development at no cost to the schools.

Description

SCCH has developed three trunks of Holocaust materials: one is appropriate for elementary school, one for middle school and one for high school. Each trunk is valued at over \$1000 and contains lesson plans, maps, reference materials, a classroom set of books, a variety of nonfiction books, graphic novels, and DVDs. Each trunk will be loaned out to a school for a minimum of 2 weeks and a maximum of 3 weeks of time. One teacher or administrator from the school should be named who will serve as the liaison between the school and the SCCH and oversee maintenance and usage of the trunk.

Additionally, if a school successfully incorporates the use of the trunk in multiple classrooms each year for a period of 3 consecutive years then they can apply for a grant from the SCCH to receive their own trunk full of the same contents for free to be permanently housed on the school campus. Through this program we hope to provide as many trunks as possible to schools in South Carolina in the coming years to help them with the resources and training needed for effective Holocaust instruction.

You can find a list of the contents for each level of traveling trunk here: [SCCH Traveling Trunks Content List](#)

Requirements

1. Professional Development workshop: Faculty members and librarians who utilize and administer the trunk will be required to attend a professional development session at a mutually agreed upon time; the purpose of this workshop is to provide teacher training on guidelines for teaching the Holocaust and the use of the specific trunk contents. The workshop will be provided at no charge by the SCCH and will be held at your school and recertification hours will be awarded to those in attendance.

2. Trunk Delivery & Deposit

The trunk will be delivered to your school at the time of the workshop and then retrieved by the SCCH within the agreed upon time frame. The school will be required to make a \$50 deposit with the SCCH at least two weeks before the trunk is delivered. This deposit contributes to the cost of delivering and picking up the trunk and replacement of materials as needed.
