>> Kolender: ...that I went through it. And I get very upset with the stories that it never happened, that Jews made it up. There were Americans who liberated. The Americans who saw it, what happened to them? They made it up too? I just pray to God that it'll never, ever, never -- I don't care where and when or what people. Things like this should never be allowed to happen.

>> Interviewer: Thank you very much.

>> Kolender: You're welcome.
